

Legend Commitment Form

“Legends” are individuals who have chosen to provide for the long term financial health of the Glen Lake Association by including the GLA in their estate plan. What better way to ensure the future of Glen Lake and its watershed than by contributing to its endowment?

We thank you in advance for your thoughtful contribution.

You may make your gift through one of the following means:

- A will
- Insurance Policy
- Trust Arrangement
- IRA / Retirement Plan

You may designate your gift to one of the following funds:

- The Endowment Fund. Only the fund’s earnings may be used to support GLA financial needs, i.e. the principal is never invaded. Four percent of the asset value of the Endowment Fund is transferred to the General Fund yearly.
- The General Fund. These gifts are used for operating expenses of the Glen Lake Association.
- Glen Lake Watershed Protection Fund (for non-recurring expenses)
