

Rick Fink, 2nd term nominee

The Fink Family cottage was built on the east shore of Big Glen Lake in 1940. Growing up, Rick spent nearly every summer at the Lake, so it is no wonder this always felt like home. In 1998 he, his wife Janice and their four children made it their permanent home. Their children all went through the Glen Lake School system, love this area and especially the Glen Lakes, Crystal River and Lake Michigan beaches. Their youngest son Evan, a biology major at Michigan State, interned with the Glen Lake Association summer of 2020.

Rick believes that having the privilege of spending summers on Glen Lake is special. Maintaining this special place for generations to come is of utmost importance to Rick. Volunteering is his way of giving back. He joined the GLA Water Level committee in 2013. In 2015 he was added as an alternate to the Technical Committee and in 2017, the newly formed Technology Committee. In those capacities he has formed relationships and become very familiar with the workings of the GLA's sensor systems, dam, and the balance of water between the Glen Lakes and the Crystal River.

Rick graduated from Michigan State University in 1981 with an Electrical Engineering degree and has spent the last 41 years in electrical power distribution and industrial process automation. Also Active in the Glen Lake Yacht Club, he has been a Director, Commodore and Chair of the Buildings and Grounds Committee, in which he still participates. An avid sailor, he sails at the GLYC on weekends and crews on a J34 in West Bay at the Grand Traverse Yacht Club.

Rick has served as a Director and liaison for the Technology Committee, Water Level Committee and Glen Lake-Crystal River Technical Committee. He looks forward to continuing to serve the GLA.

Stan Kryder, 2nd term nominee

Stan has been to Glen Lake every year since he was born. His family began coming to Glen Lake in 1957 along with a number of other families from Akron, Ohio. These families began their Glen Lake experience at Tom House's Maple Croft in Burdickville. Stan learned to sail from Tom along with his older brother George, and they both competed at the GLYC as teenagers. In 1970, the Kryder's purchased two cottages in Burdickville, where he still vacations. He brought his wife, Joy, a southerner, to the lake 38 years ago and she has come to love Glen Lake as much as he does. Both enjoy being members of the Glen Lake Yacht Club.

Stan and Joy's two children, Robert and Kathryn enjoyed summers at the lake with their grandparents, and both still look forward to their lake vacations. Stan grew up in Akron, OH, and graduated from Albion College and LSU-School of Banking. For 25 years, he worked for two of the nation's largest banks and had geographic responsibility for 12 East Coast states before becoming a community banker in 2005. Stan successfully led his community bank through three mergers in the past five years into what today is a \$47 billion, 6 state bank known as South State.

Stan and Joy live in Atlanta Georgia. He is active in the community there and has served as Chairman of the Georgia Bankers Association. He is involved in the American Bankers Association and serves on the board of directors of the Atlanta Area Council of the Boy Scouts of America, the Georgia Chamber of Commerce, and Metro Atlanta Chamber of Commerce, Midtown Alliance, and the Buckhead Coalition along with being a member of the Atlanta Rotary Club.

Stan has served as a Director and Treasurer of GLA and looks forward to continuing to serve the Association.

Woody McCally, 1st term nominee

Woody's family has been coming to Glen Lake since the 1930's, and Woody has vacationed every year of his life at the family property on Dunn's Farm Road. All the good times with family and friends on such a special lake established the deep connection that makes the lake his favorite place.

Woody began his professional career at FMC Corporation, a diversified manufacturing company, where he was employed for fourteen years in financial management roles in Chicago, Philadelphia, and France. After leaving FMC he was a partner in the launch and management of two Chicago companies in the database marketing and contracting fields, and most recently made a move into the nonprofit sector as President of the Finnegan Family Foundation – where he now serves as Chairman. He's a graduate of Harvard College ('77) and Harvard Business School ('79).

Woody is a prior board member of the Glen Lake Yacht Club, where as a child he learned to enjoy sailing. He also previously served the Glen Lake Association as a volunteer on the Development Committee. He is currently a member of the Leadership Council of the Chicago Public Education Fund, and a director of the University Club of Chicago. Woody has been a resident of Chicago for over 30 years but is now spending more time at Glen Lake as he enters his retirement years.

Richard O'Malley, 1st term nominee

Dick and his wife, Anne, have been coming to Glen Lake for 32 years. They owned at the Homestead for many years and boated during the summers on Glen Lake with their four (now adult) children, Conor, Elizabeth, Brian and Katherine. Katherine spent two summers working at Cherry Republic during college.

They found an empty lot on Northwood Drive in 2014 and built a home where they have enjoyed summer and winter family gatherings. Dick and Anne are members of Glen Lake Yacht Club and are spending more time at Glen Lake now that they are retired. Dick is also sculling with the Northern Michigan Rowing Club on Glen Lake.

Dick was a lawyer and partner at Sidley Austin LLP in Chicago, where he worked for 35 years specializing in civil litigation, including pharmaceutical patent litigation. He and Anne are involved in Chicago civic organizations, including the Big Shoulders Fund for inner-city Catholic schools, the Public Interest Law Initiative and University of Illinois Law School Board of Advisors. Dick is a graduate of the University of Notre Dame (BA 1980) and the University of Illinois College of Law (JD 1983).
